BUG-01

Title/ Summary: Opening the Cart doesn't work in test automation

Defect Reported Date: 03 Juli 2019

Project Name: Amarthia Test

Operation System: Windows 10

Browser : Google Chrome

The screenshot displays the TestNG test results interface. At the top, a summary bar shows: Runs: 3/3, Passes: 0, Failures: 3, Errors: 0, Skips: 0. The main content area lists test suites and cases. The 'Test Suites/Cart' suite (648.959s) is expanded, showing three test cases, all of which failed. The first test case, 'Test Cases/Cart/TC-CART-01 View cart' (115.515s), failed at step 6: 'click(findTestObject("Object Repository/Page_Swag Labs/svg_Open Menu_svg-inline--fa fa-shopping-cart fa-w-18 fa-3x"))' (32.359s) with the message 'Unable to find the element located by 'By.xpath': Please recheck the objects properties to make sure the desired element is located.' The second test case, 'Test Cases/Cart/TC-CART-02 Delete product from the cart' (244.392s), also failed at step 6 with the same message. The third test case, 'Test Cases/Cart/TC-CART-03 Continue shopping from cart' (287.648s), failed at step 6 with the same message. On the right side, a status bar indicates the test was run on 07-03-2019 at 03:17:05 PM, with an elapsed time of 10m - 48.959s. A watermark 'Activate Windows Go to Settings to activate Windows.' is visible in the bottom right corner.

Inappropriate Respond:

1. User can do the checkout process without filling the Cart.
2. User can proceed the purchase even if the checkout information form filled with inappropriate type/ format.
